

Level 7

# Senior Leader Programme

D :  
**18 - 21 months**

# What you will learn

## Part 1 | Being a leader in your business

Learn how to identify your business's strengths and weaknesses, and how to use them to your advantage. You will also learn how to set goals and create a plan to achieve them. This part of the course will help you to understand the role of a leader in your business and how to effectively manage your team.

## Part 2 | Leading people

Learn how to motivate your team and how to create a positive work environment. You will also learn how to handle conflict and how to build a strong team. This part of the course will help you to understand the role of a leader in your business and how to effectively manage your team.
