Applications under the early-stage policy engagement strand will be assessed against the following equally weighted criteria:

a. Relevance to current Policy:

The project's significance in informing, influencing, or challenging a current local or international policy.

b. Policy Partnership Engagement:

Evidence of involving the appropriate partners in the policy cycle and targeting the right audience to effect change.

c. Feasibility:

The practicality of the project, including the availability of resources, the expertise of the team, and the potential for impact. Evidence of the project's feasibility is required.

3. Funding available and eligible costs

The maximum funding that can be requested is £5,000.

Eligible costs for both strands can include:
